The Wampus Cat Courtyard offers a way for individuals, businesses and alumni groups to recognize a person or a school program with a lasting legacy while also supporting the Conway Public School Foundation. Bricks will be placed in the courtyard between the new high school building and the new cafeteria to be completed in 2013.

- A lasting tribute that will become a school tradition
- Personalized recognition for a teacher, school program, individual or graduating class
- Remembering and honoring someone special or a group that is significant to you.
